**FRIEND OF GLENDALE**

Grace and Peace to our friends in the Glendale United Methodist Church on the significant occasion of the 75th Anniversary year.

A church and its people can touch lives in many ways — directly or indirectly. It seems more than coincidence that the ministry of Glendale has touched my life over the years.

Dr. Joseph Shepler, pastor at Glendale in 1900, was my minister at the Lafayette St. Methodist Church in Salem in my early years. His life, and that of his wife Winifred had great influence over mine.

At Rolling Ridge I worked many times with Maude Anderson of Glendale and her outlook on life was challenging — her ability to bridge the "generation gap" was an example to all those who knew her.

Steve and Marilyn Seminerio have been close friends through the years, giving encouragement and help at many times in my ministry.

When I was minister at the East Saugus Methodist Church Harry Folger was a patient in the hospital next door to our parsonage home. His friendship and life was another influence in my ministry.

"Fannie" Jenkins, as president of the Lynn District Woman's Society of Christian Service, was a close friend before we came to Glendale. Her charm, leadership and devotion to the church touched our lives in many ways.

This is the church — as described in the Book of Acts. The church is more than a building, it is the people. These I have named had influence over my life. Countless others have also shown Christ through their lives. The ministry of Glendale has reached out over the miles — to the uttermost parts of the world in many instances.

Marge and I continue to feel the touch of your lives on ours. We have shared in joys and in sorrow. We have known success and disappointment together. We have worked for the kingdom, sensing your love, your prayers and your support.

So many of the wonderful people of Glendale have gone to be with their Lord during our ministry. They have been an inspiration to us. But with confidence we know that the ministry of Glendale will continue to be felt in the community and world for others will "take up their cross and follow."

Congratulations to Glendale Church on the occasion of its 75th Anniversary. Little did those who founded the church in Everett know what a power for good they made possible through all these years. But that is the way things are when they are done for the sake of the Lord.

Fortunately, the history of Glendale Church has been well recorded and no doubt will be recounted sometime during this anniversary celebration. This recounting will be a cause for rejoicing. However, should not this anniversary also be a time for renewal in our commitment to our Christian Faith so that members and friends of Glendale Church will pass along to future generations a continuing power for good?

## HISTORY — (Continued)

Society and the Men's Brotherhood were active organizations. The Elsworth League was the nucleus of youth activities.

Every challenge was faced bravely and met ably. In 1916 with a debt paid, a new parsonage was built facing Walnut St. In 1921 the church was re-roofed, then painted inside and out. On the 20th anniversary, February 1923 dedication was held for cast-iron pews and a pipe organ, replacing noisy folding chairs and the old cast-iron organ pumped by the organist. Such rejoicing by the pastor and people. On November 4, 1923 Rev. Peman and 2 baptisms and received 12 new members into the church. Plans were made for a large new sanctuary to be built adjoining the brick-washed building, to completely fill the corner lot.

But, disaster struck on Sunday November 1, 1923 when fire broke out after most of the Sunday School had been dismissed. Wisp of smoke curling out from around the large glass skylight warned the remaining class on the balcony to leave quickly as the entire glass ceiling fell on our lovely new pews! Most fortunately, no one was injured! Rev. Peman and several young men risked their lives to rescue the large pupil Bible platform furniture and choir music. The Fire Department arrived and battled the blaze but even with help from other towns, destruction was extensive and the building had to be demolished. Pastor and people must we have given up, but the Trustees met and decided to build a greater Gendate Church. Worship services and Sunday School were held in a dimly-lighted Gendate Square Square Theatre. We used church lots by other churches who offered the use of their facilities. We put on suppers and other money raising events. Shares were sold at \$1.00 per week for 10 weeks, some couples taking several shares. Our pastor also solicited money from outside our membership to help augment the \$25,000 received from life insurance pledges from church people and organizations including Sunday School classes. The parsonage was moved to 14 Gendate St. as the plans of Woodbury and Stuart, Boston architects had been accepted to build our present Gothic, stone edifice.

Gendate was attended the first service in the new Church on February 22, 1923 and its dedication on March 1, 1923. Based on Luke 2:32 (GSA).

And Jesus increased in wisdom and in stature, and in favor with God and man. The building was dedicated to the glorified life and to the praise and worship of God. The sanctuary with balcony and choir loft with pipe organ could seat 120 people and 220 more on opening tall wooden doors to the Chape. The original pupil furniture had been retained. The back choir pews and hymnals were new. Our gymnasium, among the years with stone was the first gym built in a church in the City of Everett. Together these rooms can accommodate 400 persons seated at banquet tables. A kitchen, five small rooms, toilets and boiler room completed the plans which pleased everyone but the women who felt that they had been deprived of an adequate Ladies' Parlor. Large classes with many well-represented winter tea teachers, who gave organized basket ball teams and put on plays attracted scores of youths to Gendate. It was when few persons had automobiles and taxis were had not been invented. Elsworth Leaguers at

Because of the Methodist Conference system of appointing pastors annually, we have never been without a minister. (see Pastors' record in this book.) During the past quarter century we have had four ministers.

THE REV. HARRY P. FOLGER, JR. came here in 1947 with his wife, Margaret, and their three children — Harry III, Thomas Arthur and infant Jean Ann. That summer a group of our men converted the room off the sanctuary into a minister's study, redecorated several rooms in the parsonage and led by Karl R. Anderson and Charles Squares painted all the walls in the sanctuary, chapel and stairways, accomplishing a \$3000 renovations project for less than \$400. Later other rooms in the building were painted without any charge for labor. A new oil burner was installed and the driveways were hot-topped.

Beginning on Christmas Sunday, 1947, our choir wore new robes of royal blue with white stoles. Mrs. Margaret Folger was a Junior Choir Member and active in the W. S. C. S., where she helped to organize the Ethel N. Baxter Circle, also sponsored the Susannah Wesley and East Thistle Circles.

Rev. Folger was a keen executive, meticulous about details, yet with a flair for the dramatic. He enjoyed happy celebrations and festive church services. Our other church photographers were Harold Bruce and Bernard Samuels. After 1950 all Annual Reports were incorporated in booklets.

from continued to his day. We do have one earlier Anna Report Book for 1934-35 which was produced by Rev. Haganes.

The memorial Golden Anniversary of our organization the snowy week of February 8-9-10-11 had as Honorary Chairman, Rev. Fager with Mrs. Kar R. Anderson as General Chairman and a copy of the Fifty Year Centennial Methodist History printed in a book with pictures of all our pastors and the three buildings that have been our church home. Complete programs for the week are in the Golden Book.

Beautiful memorial gifts included brass altar accessories and candleabra, flower pedestals and vases. The altar under the picture of Christ in Gethsemane in the Chapel given in memory of Eric Thorsen had been completed and kneeling pews added to match the original Chapel, altar furniture reupholstered in blue.

Bishop John Wesley Lott delivered the sermon at our impressive Mortgage Burning Service on March 10, 1949. The book of debt long time exact contains a \$50,000 by the Piece of Paper Society describing the life of this \$50,000 mortgage plus second mortgage of \$2,000 and an amount of \$3,000 placed on the building during its erection. During 24 years \$10,000 interest was paid for use of this \$50,000. William F. Langer was Chairman of this Victory Campaign, George Frazum was Treasurer and Mrs. Grace Washington was Secretary.

The 24th Anniversary of the Laying of the Cornerstone on June 29, 1924 was held. A Work of Dedication was held and a choir with a band set in Washington's Birthplace and re-enactment of the first service held in the building. March 1st and Anniversary Service was held, a biography of the Arthur A. Pitman was read by the Choir. Historian and the sermon was by the Rev. John P. Fitzgerald who had entered the ministry under the inspiration of Rev. Pitman. Many former members of the Northern Class and their families were present. From the front steps Mrs. Frazum unveiled the remodeled stained glass windows with the central figure of Christ the Good Shepherd and the front entrance. Rev. Fitzgerald gave the service. Following which he concluded with the singing of Rev. Pitman's favorite hymn "The Old Rugged Cross" with Norman Thompson, trumpet player in the tower. A picture of the Pitman window was on the cover of Zion's Herald for March 22, 1949 with title "Dedicated for the Passing". The window made by Charles J. Conk and Associates of Boston cost \$10,000 and the installation repairs paid for by donation to the Pitman Memorial Fund.

A new case built in 1941 and 1942 was the Laker Parson's. The Story of Jesus written by Miss Beverly Sorenson. A great treasured safe for our church to store all our records, books, records and other valuable treasures and a Trustee metal box for insurance papers was given by Charles Squires.

Mrs. Maude C. Anderson, poet, composer and artist was Sunday School Superintendent during Rev. Fager's seventy six ministry. Church School collection was a great success. The Centennial Day collections were awarded. Bibles were presented to the families. The children's Christmas and at midnight service. A service on Children's Day and other prayers were

## HISTORY - (Continued)

Just west from behind the picket-fenced "garden" on the platform. Tradition says May Day was held with boys and girls joining the Pastor's Preparatory Membership Class. Easter Sunrise Services were held with the group returning to the church for a hearty breakfast prepared by women of the W.S.C.S. Scott Anderson received the family \$1000.00 with out going to Cherry Hill Farm and other places. A May Festival was held on the church lawn with doll carriage parade and crowning of a May Queen. Sales of articles brought in revenue as did numerous Food Sales conducted by Mrs Eva Horton in various stores. A Tom Throat Wedding made \$200.00 used to buy 2 Kindergarten chairs. Halloween and Christmas parties were annual events. Basketball teams were organized for senior and intermediate boys, and intermediate girls. The intermediates put on two shows to raise money for uniforms, etc. The first Brownie Troop was founded in January 1, 1949 and a year later an Intermediate Troop both by Mrs Myrtle Cooper who also headed the Girl Scout City Wide Cookie Sale.

For years the Church School has paid half the expenses of our youth at Summer Institutes, aided by our W.S.C.S. which annually mounted Mothers Day Sunday worship service and presented carriages to the oldest and youngest mothers.

On the advice and through the efforts of Rev. Fager, our Board of Trustees purchased abutting property - a three family house at 900 Perry Street. Papers were passed with the Forest National Bank on January 2, 1952 for mortgage of \$10,000.00 on this property and the promise to be self liquidating in ten years, managed by our Board of Trustees.

The Freedom from Debt Victory Service was held on March 26, 1952. The Victory Campaign had raised a total of \$10,000.00 by March 15, 1952. \$10,000.00 in total, \$3,000.00 from the New Era and Confidence, \$7,000.00 from the hosts of Home Missions, \$24,000.00 in the "1st Year", \$1,112.45 in the "2nd Year" and \$5,642.25 in this final effort. January 1, 1950 to March 26, 1952 under William E. Cooper, Chairman and George E. Brown, Treasurer, \$20,000.00 had been given us from the emergency revolving funds used to help church all over our country, so our property was saved when we could not pay our bank mortgages. 25 years later, we repaid the final \$1,000.00 to them. Our Church building that had cost us more than \$15,000.00 to construct had doubled in value.

Frederick Maher, Jr. was Pastor's assistant. Charles Prestwood, a student at E.U.S.I. did commendation work with our youth, and Youth Week was observed.

The faithful Membership Committee entered all names in double card system and made a new membership roll in loose leaf book. Membership then was 28. No longer burdened by mortgage debt, the entire Church became more prosperous. The W.S.C.S. began the tradition of serving supper & service at Charleston Y.M.C.A. Using our old John Chest, we raised over \$900.00 toward "Methodist Advance Societies" to help fund and operate children hospitals and schools under Methodist jurisdiction. After Riverside Methodist Church Group was here we sent them \$1,000.

No. 552

\*COLLECT by all

O God our Father we pray for thy church, which is set today amid the perplexities of a changing order and face to face with new tasks. Baptize her afresh in the life-giving spirit of Jesus. Bestow upon her a great responsiveness to duty, a sweeter compassion with suffering and an utter loyalty to the will of God. Help her to proclaim boldly the coming of the kingdom of God. Put upon her lips the ancient Gospel of her Lord. Fill her with the prophets' scorn of tyranny and with a Christlike tenderness for the heavy laden and downtrodden. Bid her cease from seeking her own life lest she lose it. Make her valiant to give up her life to humanity. Let like her crucified Lord she may follow by the path of the cross to a higher glory; through the same Jesus Christ our Lord. Amen.

RESPONSIVE LESSON

The Lord is in his holy temple

Let all the earth keep silence before Him.

The hour cometh, and now is, when the true worshippers shall worship the Father in spirit and in truth: for the Father seeketh such to worship Him: God is Spirit: and they that worship Him must worship Him in Spirit and in Truth.

O Come, let us worship and bow down: let us knee before the

Lord our maker.

Enter into His gates with thanksgiving, and into His courts with praise.

I was glad when they said unto me, Let us go into the house of the Lord.

I went with them to the house of God, with the voice of joy and praise

with a multitude that kept Holy Day.

Seek ye the Lord while he may be found, call ye upon Him while He is near.

As the heart panteth after the water brooks, so panteth

my soul after Thee, O God.

Great is the Lord, and greatly to be praised in the city of our God.

In the mountain of his holiness.

Holy, Holy, Holy is the Lord of Hosts: the whole earth is full of His Glory.

I will praise thee, O Lord, with my whole heart.

Let everything that hath breath praise the Lord.

## THE UNITED METHODIST WOMEN

are proud to be a part of the Glendale United Methodist Church and look forward in many more years of service and fellowship.

The Glendale United Methodist Women cordially invite all women to their meetings held in Cooper Hall the second Wednesday of each month at 7:15 p.m.

United Methodist Women is the new name in official use since January 1973. Our organization had its special service of Celebration and Change of name on March 14, 1973.

The organization was previously called Women's Society of Christian Service, the name adopted in 1940, representing the Ladies Aid Society, Women's Foreign Missionary Society and Women's Home Missionary Society.

Through missions the women of our church have had a long history of service to Glendale, the community and the Greater Boston District.

Glendale United Methodist Women conduct a meeting of business, worship, program and fellowship ten months each year. They visit the sick and shut-ins in hospitals, nursing and rest homes and in their own homes and remember them with cards and gifts. They also supply flowers for the altar at morning worship on many Sundays in memory of members who have passed away.

Our women have an annual self-denial program for specific missionary projects and they pledge funds each year to the district United Methodist Women.

Money is also donated to various community charities and to the church budget for current expenses.

Funds for the budget are raised through circles, church suppers, an annual fair (which is the highlight of the year in fund raising and fellowship), food sales and rummage sales.

## HISTORY — (Continued)

master, Earl's den, Navy Tramp, 2 under J. Fred Peab had 4 patrons, a high school, New School Street, West Murray with David C. Jenkins, pastor, and Robert Moore, 1st Mate, had a crew of 40 boys. The Langport of February 1 brought 2000 boys from former masters and 1000 more youth in Christian service on the theme "What Our Late Methodist Church Means to Me."

Youth Ministers during Rev. Fives' pastorate were Charles Freshwood, Travis K. New, Vernon Stewart, Fred Mason, and Frank Williams, who worked with our youth in Church School and Youth Fellowship, assisted in the pastorate by Miss Mary Chase and a number of boys who were Rev. Fives' work. A few most rewarding experiences: Gertrude youth Kay, R. Anderson, Jr. was first Vice President of the New England Conference of Young Adults, and Lawrence Anderson was President of the Lynn District Young Adults and New England Conference Young Adults.

We presented Prof. Frederic C. Rutherford a citation when he left in September 1903, honoring his 20 years as our Christian Church Director and 40 years as a Church Congregationalist at Hartford and in Paris. Subsequent Gertrude youth at home: David Foster, Nathan Foster, Miss Beverly K. Johnson, Miss Mary Beard in August 1904. She trained a Chapeau Choir of 10 boys and 10 girls who sang for a month for whom our church winter made white robes. Our Chapeau Choir had a large participation. We also remember our Charles Squares, Doris Faye, Agnes Berger and Corinne Johnson, Doris Erickson, Faye Macgregor and others.

Mrs. Maed Anderson, Church School Superintendent for 12 years was Dean of the League International, a member of the League of Nations and President of the League of Nations. She was succeeded as Church School Superintendent by Charles Squares in 1924.

The Mass Committee, led by Miss Constance Johnson, with Rev. Fives and Dr. Arthur Wessely, pastor as consultant, recommended that our Hook Chancel be placed on a platform, raised and electrified, with a new window, a new organ, a new piano behind the chancel, so that the organist could see the choir, and that William F. Laws of Weymouth do the work for \$3000. The organ and piano were purchased for \$1000 and a commemorative renovation was completed by December 1924 with the Mass Chancel completed in the main chancel. Later a \$1000 automatic organ choir was installed in an addition of recorded choirs in the tower.

In 1925 through obtaining the mortgage on the parsonage was paid off and rewritten for \$2000 in the House, carried by rents.

With a big morning congregation and vital Christian youth programs, only evening services. A great desire to have a new Times and Times. Franklin P. Fives gave excerpts from 10 sermons preached at Greenacre. While here he had a throat ailment and learned that he was diabetic. He asked for treatment, comfort and reassurance at that time he found a new remedy, a new way of living and a new life which helped him become a better pastor. He was a devoted Unitarian Associate Pastor, Dr. Henry D. Moore, retired missionary to India, and then by the Rev. Charles D. Maurer.

## HISTORY — (Continued)

Rev. and Mrs. Frye retired 1962. We in Bedford, N. H. near Alice and Frank Donald, wife and 5 children live in Reading.

THE REV. RAYMOND F. SPEARS and wife Joa came to Goodale November 1881. He had served as Methodist minister also World War II as a prison chaplain. Consistent as and untiring in his commitment to the Christian ministry. He found joy in hearing all kinds of people with humility and compassion. During his 60 years here he visited every home in the parish once a year, at least, on duty once a month in hospitals every week.

The first meeting room of Elder's House was burned in March 1963. Thus our Church was left with a free and empty hall \$4,000 in its treasury. Rev. Spears tried to spread the Church work among more people and there was a tremendous amount of voluntary work done. Two Sunday morning worship services were until 1965 then one at 10:00 and a crèche nursery equipped. Church membership varied from 60 to 100. Rev. Maurer continued as Associate Minister until his death in 1965. Youth Pastors were Frank Williams, John Weeks, Richard E. Sheper, Miss Maria Iverson, Jack Giering and Tom Tait. We had a good chime choir and large Chape Choir and Nancy Heard. Mrs. Richard King had two cantatas a year. In 1966, Miss Nancy Crossland had a Chime choir. Mrs. Cara Huestis Camm, substitute organist and pianist, died in 1962.

Mrs. Spears, an energetic person and great humanitarian, was President of Morgan Memorial Women's Auxiliary, succeeded by Mrs. Frank McDowell. Mrs. Spears was President of the W.S.C.S. for one year. Mrs. Mary F. Jenkins, Church School Superintendent for 4 years, was also Vice President of the Long District W.S.C.S. then President for 4 years. Frank Batchelder, 25 years, Charge Lay Leader, was succeeded by William E. Cooper. Mrs. Martha MacDonald sent Christmas packages annually to our boys in the Armed Forces.

The vacant first floor of the Elder's House was converted for church use. The front room for Pastor's Study, the rear room for a Secretary's Office. The remaining rooms were furnished as a meeting room and kitchen for use by groups of up to 20.

Dedication of new altar and furniture in 1965 included plaques in memory of Henry F. Washburn, Norman Sheppard, Janet Mercer, and Gertrude. Mr. Walter Humphrey donated a wood panel above the communion table also made his. A spot welded cross was hung in memory of Robert Barabant. Doors to the choir loft, at the rear, and the beautiful large pulpit were given in memory of Mrs. Winifred Kanner and Mrs. Ruth Davis. Rev. and Mrs. Davis donated and supplied at the entrance and foundation of the Church. The Remembrance Fund financed the building of front steps with thick stone stone leads.

Miss Haze Murray, 1911-1961, was Girl Scout Captain for 26 years, Church School teacher, Church official, and W.S.C.S. worker and successor of Mrs. Myrtle Cooper who followed in her footsteps.

Costing \$14,000, a beautiful new, modernized C. Truergen electronic organ with walnut case and bench was dedicated in 1967 in memory of

Constance E. Johnson, Joseph R. Dawe, Sr. and the Chapman family. Located in the Chapel.

Our most recent member Mrs. Marie Harris was given a party on her 80th birthday December 30, 1966 (she lived 1 year 101) by her daughter Mrs. Grace Washington who has been our Monthly Secretary since 1950.

A Farewell Reception by Rev. and Mrs. Spears honored his retirement here and was well attended by people from church and various organizations with which he had been associated. Rev. Spears became Associate Pastor at Maiden Center after which he was appointed Southwick Mass. where he served Christ Church and Agawam as Associate. He died on July 22, 1961 with funeral services at Trinity Springs. He is survived by his widow, who lives in Springfield, and their children.

## CONTINUING HISTORY BY R. H. MILLEY

In June 1981, our Pastor THE REV. JOHN H. PRESSLEY, his wife Mary and 4 daughters became part of Glenaire. They had 6 children, two were married. During the same year, our name was changed from United Methodist Church, because a merger took place with the Evangelical United Brethren Church.

In 1969 many changes took place in the structure of the Methodist Church. The Church Board became known as the "Administrative Board". This was a great disappointment for the Pressey Family as well as our members. Methodism was reorganized and became known as the United Methodist Church and the Ladies' Society became United Methodist Women. With the help of the sister in the wife Mary and a number of workers as members, Sunday School, the church will have a great year in 2000. A great friendship since that year has been kept. These friends King and Ralph Miller and of whom some the church was very close to the ladies!

## HISTORY — (Continued)

Ecumenical Wedding held in our church assisted by The Rev. William J. Cummings, Assistant Pastor at the Immaculate Conception Church in Revere. Father Cummings later spoke at two of our Lenten Services by popular request as our good friend Father Robert McCabe of St. Therese's. Our pastor has since participated in several weddings in the Roman Catholic Churches. Advent and Lenten Services have been held and lay committees continually reach out for speakers of other faiths, as well as our own.

Added to the community programs offered in our church when Mr. Pressey arrived was one for senior and retired men which became known as the Komenia Association, formed in 1968. The groundwork for this group was begun with Rev. Spears and our member Carroll Bickford as Founder. During the past year one of our most loyal workers and member Clarence Beard served as President doing an excellent job. Another community group since 1962 is the "Needlecrafters" begun by Mrs. Marion MacDougal and meets in Cooper Hall to sew, knit, crochet, and to exchange ideas and patterns in fellowship.

In 1970 our Pastor introduced to Gradale the idea of having a "Festival Of The Arts". Rev. Pressey's feeling was that in the history of the Christian Church there has been a close relationship of worship to the arts. Painting, sculpture, drama and music have all contributed to creating symbolic aids to worship.

The Festival was to give the people of our community and church the opportunity to become involved in the many facets of art.

Performing artists were the noted operatic team of Norman and Leonore Curtis. The Junior Professed Sisters of Notre Dame and the Gorton Players.

Exhibiting Art Groups included the Everett Arts Association under the direction of one of our members, Ruth A. Milley, who was a Co-Founder and President of the organization. Other members were Chester A. Card, John Bull, John MacManan. Crafts were under the direction of Myrtle Cooper and consisted of displays by many of our members. Woodcarving was under the direction of Chester A. Card with displays by gifted wood-carvers from neighboring communities. Featured photographic work was on display and an organ recital was presented by our Organist and Choir Director Elot Wisting.

The financial backing and sponsoring of the Festival was by our area merchants and church people. So highly successful was the Festival Of The Arts it has resulted in an Annual event.

Other programs of interest was the introduction of "The Chosen Four" reciting folk singers. A Singing Group was started by Mrs. Phyllis King and Mrs. Mary Pressey that has been well attended.

Rev. Pressey was prevailed upon to undertake the responsibility and management of the Grace United Methodist Church on Chatham Road in 1971. Since that time we have had many cooperative services together. Hymn Songs at both churches. Annual Meetings, etc. Each church has involved the other in activities thus creating fellowship with one another.

Something new was added with the addition of a Church Newsletter at the suggestion of Mr. Pressey which was appropriately named by our Church Historian Edith Anderson. The "Glendale Times" became a reality and has been in print since 1969. The monthly mimeographed publication has been applauded by members and friends as one of the finest of its type in keeping people aware of "what's going on at Glendale".

Memorial windows added to our church are described in another section of this book.

In the fall of 1971 the City of Everett celebrated its 100th Anniversary. The three major faiths held a religious service at the Immaculate Conception Church, Rev. Pressey being President of the Everett Ministerial Association participated representing our faith while Ralph H. Muey represented the Protestant Laymen and took part in the program.

Two Wesleyan Trips were conducted by Mr. Pressey during 1971 and 1972 to Great Britain following the steps of the Wesleys. He also had a trip to Greece and the Holy Land in 1972. The congregation later enjoyed seeing the slides shown by some of the church members who made the trips to Great Britain with Rev. and Mrs. Pressey.

The past year has been one of mixed emotions. An outstanding "Newfound and Reunion" Service was held in the sanctuary on October 15, 1972 with 400 in attendance. Mr. John Rowe served as Chairman doing an extraordinary job. Our Pastor — more than anyone else — was surprised and pleased with the program. He apparently thought the only Newfoundlanders he needed to tolerate but since he has now been made an "Honorary Newfoundlander" he looks forward to the next Reunion which all hope will be in 1973.

A "Festival Of Carols" was held at the Immaculate Conception Church in December, 1972. Rev. Pressey, at the request of the Mayor — The Hon. George B. McCarthy — was General Chairman and also involved was Ralph H. Muey. Again, this turned out to be an Ecumenical Service of which the City was proud and the public looks forward to the next one.

We have been fortunate to have the services of Mr. Charles Hartman who was granted his Local Preacher's License last year. He has served and worked with our youth participating in Sunday Services. We expect he will be installed at the Annual Conference in June.

At a Hymn Sing 1000 Hymnals were dedicated in memory of Isabele McKenna. We also learned that another loyal member, the late Mrs. Mary Power, has remembered us in her Will and we shall inherit one half of her estate.

Following the destruction of the Matten Centre Methodist Church by fire Generale donated \$100.00 plus individual gifts by many of our members.

Fellowship Hall has been renamed "Cooper Hall" in memory of our most devoted servant Myrtle Cooper who passed away January 1, 1973 and a bronze plaque will be dedicated to her memory as a dearer than Myrtle and to her passing as a tremendous loss to Glendale. Dedication of Cooper Hall will become official at our banquet.

## HISTORY — (Continued)

A Memorial Gift of new carpeting has been donated by the Blakely Family in memory of Mrs. Mattie Blakely which will beautify our sanctuary. The carpeting color is burgundy which was the favorite color of Mrs. Blakely. The front pews have been removed to allow more room and an installation will be completed in time for our Anniversary Sunday — April 8th at which time official dedication will be held.

We have found that under Mr. Pressey we use the Folger House to greater advantage. It is common knowledge that the administrative work of the clergy has increased. No longer can we function effectively with only a few hours per week of secretarial help as in the past. More records must be kept and time spent to keep abreast of administrative matters. The House is constantly used by all groups of the church for meetings as well as for Bible Study Classes and special occasions. Church Secretaries have been Mrs. Barbara Ericson, Mrs. Eleanor Baker and Mrs. Doris Haskell.

Sunday School Superintendents under Rev. Pressey have been Ralph H. Miller, Mrs. Mary Pressey and Charles King. Since 1968 The Reverend and Mrs. John H. Pressey have had 3 daughters married in our beautiful sanctuary.

At this writing we are proud to report that former members are serving in important ministries of the Christian Church. The Rev. Richard Hardine, son of Mrs. Anne Hillier, is the Program Council Chairman for the Southern New England Conference of the United Methodist Church serving all churches in the Conference. The Rev. Richard Thistle son of Mrs. & Mr. Richard Thistle, and married to a former Glenalite, Marjorie Hudson, is a District Superintendent. Rev. Seminario is the pastor of the Cliftondale United Methodist Church.

Our present organist, Mr. Eliot Waring, has an excellent background having been organist at the First Methodist Church in Lynn as well as others. He is one of the guest Artists at Hammond Museum in Magnolia and demonstrates the organ there.

The valuation of our church today is more than \$500,000.00.

This is Glendale's past. May God continue to bless for future.

(I gratefully acknowledge the help given by Miss Ellen V. Lundgren, my amanuensis for this history as well as 25 years ago — E.W.A.)

## FESTIVAL OF THE ARTS

One of the most successful community art events held in recent years at Glendale has been the Festival of the Arts. Three Festivals have been held, another is planned for May of 1978.

The Festivals feature Fine Arts, Photography, Music, Drama, Wood carving, Ceramics and Handwork.

The emphasis has been upon the God-given talent which has been a part of man's religious experience through the years. In the Festival professional talent is displayed and the opportunity given to encourage new artists in each avenue of the arts.
